Prayer of the Week

God of peace and comfort,
we pray for the people of Sudan amid the fighting gripping Darfur,
for those looking to leave the country to escape the danger,
and especially people for whom that means leaving loved ones behind.
We pray for an end to the violence and conflict,
and for the building of a real and lasting peace.
Amen

This is a flyer about a celebration for the 'Be Well Hubs' work that I have been involved in with Citizens UK. It started out being called 'mental health hubs', and came out of listening to thousands of people across South London. My involvement with it has included training on mental health first aid and a session for pastoral friends led by Rory, our local Citizens organiser.

All are welcome to come to the event, find out what has been happening across the borough and draw inspiration to think about what we might do here in the future. We already have Bereavement Cafe, the crafts and board games groups, and of course our warm welcome in Wesley's, but new ideas are always welcome.
