

New Malden Methodist Church

Safeguarding Children and Vulnerable Adults Policy 2025

The Methodist Church, along with the whole Christian Community, believes each person has a value and dignity which comes directly from God's creation of humans in God's own image and likeness. Christians see this as fulfilled by God's re-creation of us in Christ. Among other things, this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

The New Malden Methodist Church is committed to the safeguarding and protection of all children, young people and vulnerable adults and affirms that the needs of children or of people when they are vulnerable are paramount.

The New Malden Methodist Church recognises that none of us is invulnerable but that there is a particular care for those whose vulnerability is increased by situations, by disabilities or by reduction in capacities. It is recognised that this increased vulnerability may be temporary or permanent and may be visible or invisible, but that does not diminish our humanity and seeks to affirm the gifts and graces of all God's people.

This policy addresses the safeguarding of children, young people and vulnerable adults. It is intended to be a dynamic policy. It is intended to support the Church in being a safe supportive and caring community for children, young people, vulnerable adults, for survivors of abuse, for communities and for those affected by abuse.

The New Malden Methodist Church fully agrees with the Connexional Safeguarding Policy, Procedures and Guidance as on the Methodist Church website. New Malden Methodist Church also works within the framework of the Kingston-upon-Thames Circuit Safeguarding Policy.

The New Malden Methodist Church recognises the serious issue of the abuse of children and vulnerable adults and recognises that this may take the form of physical, emotional, sexual, financial, spiritual or institutional abuse or neglect. It acknowledges the effects these may have on people and their development including spiritual and religious development. It accepts its responsibility for ensuring that all people are safe in its care and that their dignity and right to be heard is maintained. It accepts its responsibility to support, listen to and work for healing with survivors, offenders, communities and those who care about them. It takes seriously the issues of promotion of welfare so that each of us can reach our full potential in God's grace.

The New Malden Methodist Church commits itself to respond without delay to any allegation or cause for concern that a child or vulnerable adult may have been harmed, whether in the church or in another context. It commits itself to challenge the abuse of power of anyone in a position of trust.

The New Malden Methodist Church commits itself to ensuring the implementation of government legislation and guidance.

The New Malden Methodist Church commits itself to the provision of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

The New Malden Methodist Church affirms and gives thanks for the work of those who are workers with children and vulnerable adults and acknowledges the shared responsibility of all of us for safeguarding vulnerable adults who are on our premises.

The New Malden Methodist Church appoints Mrs Liz Edwards as Church Safeguarding Officer and supports her in this role to:

- i) support and advise the minister and the stewards in fulfilling their roles
- ii) provide a point of reference to advise on safeguarding issues
- iii) liaise with Circuit and District Safeguarding Officers
- iv) promote safeguarding best practice within New Malden Methodist Church with the support of Rev Karl Rutledge and Rev Vindra Maraj-Ogden.

a) Purpose

The purposes of this safeguarding policy are to ensure procedures are in place and people are clear about roles and responsibilities for children and vulnerable adults in our care and using our premises. It is to be read in conjunction with the Safeguarding Policy, Procedures and Guidance for the Methodist Church - July 2023

b) Good Practice

We believe good practice means that:

- i) All people are treated with respect and dignity.
- ii) Those who act on behalf of the Church should not meet or work alone with a child or vulnerable adult where the activity cannot be seen unless this is necessary for pastoral reasons, in which case a written note of this will be made and kept noting date, time and place of visit.
- iii) The church premises will be assessed for safety for children and vulnerable adults and the risk assessment report will be given annually to the Church Council in written form. This will include fire safety procedures. The Church Council will consider the extent to which the premises and equipment are suitable or should be made more suitable.
- iv) Any church-organised transport of children or vulnerable adults will be checked to ensure the vehicle is suitable and insured and that the driver and any necessary escort are appropriate.
- v) Promotion of safeguarding is recognised to include undertaking those tasks which enable all God's people to reach their full potential. The Church Council will actively consider the extent to which it is succeeding in this area.

These things are to safeguard those working with children, young people and those adults who may be vulnerable.

c) Appointment and training of workers

Workers will be appointed after a satisfactory DBS disclosure. Each worker will be expected to attend Foundation Safeguarding training, within the first year of appointment. Each worker will have an annual review conducted by the minister.

d) Pastoral Friends

Pastoral Friends will be supported in their role and will undertake Foundation Safeguarding Training at the required intervals.

e) Other groups on church premise

When the building is hired for outside use, the person signing the letting agreement will be alerted to this policy. The lettings secretary will consider the various users of the building in making lettings¹.

f) Review

This policy will be reviewed annually by the Church Council.
