## Oxygen Charity Shop

Since opening in 2018, Oxygen's charity shop in the heart of New Malden has been a vibrant community hub, raising vital funds while helping volunteers develop confidence, employability skills, and a sense of purpose through teamwork, social action, and up-cycling projects.

They are looking for volunteers to help in their High Street charity shop with a particular need for Saturday mornings and afternoons (approximately once per month on a rota) and Tuesday mornings.

If you are interested please email the office and we can send you a link to their application form.
