## Message from Reverend Choi

*The angel said to the women, "Do not be afraid, for I know that you are looking for Jesus, who was crucified. He is not here; he has risen, just as he said. Come and see the place where he lay. Then go quickly and tell his disciples: 'He has risen from the dead and is going ahead of you into Galilee. There you will see him.' Now I have told you."*  
(Matthew 28. 5-7)

Dear friends,

This year, Easter seems to come still at a challenging time, with no splendid forecast for the future. Looking around, there seems little room for optimism, rather more concerns, such as uncertainty on economy after Brexit and continuing threats of the terror attacks as we've just seen in Westminster. Around the world, we still face the challenges of on-going battles in the Middle East, and extreme poverty in Africa, let alone the growing threats of nuclear weapons from North Korea.

Then, what does Easter mean to us in this time of uncertainty?

The Easter story is, in a sense, about a small group of people who spread a dangerous rumour, which became their conviction. Although at first even some people in that group wouldn't believe "We have seen the Lord", they all became stronger in believing that the risen Jesus was present with them. And, they were the ordinary people, who were not with much money, not with much power, nor in a high position. But, they did take a risk of believing that their living Lord, the Christ could change the world. And it happened. So, it is a story of good news, good news of hope. And, it comes true to our lives, I believe, when we boldly live out what we have seen and what we have been taught. And, the glorious thing is that we see it start from a small group with a little faith or even doubt.

Individually, or as a group, we may be under pressure of uncertain future, in one way or another. But, I'd like to assure you of the hope Jesus revealed on Easter morning. So, I pray that we may encourage each other to take a risk of hoping a glorious future, shouting aloud "Jesus is risen! He is risen indeed!"

Happy Easter!

SC. Choi.

### **CHRISTIAN AID WEEK 14th - 20th MAY 2017**

Christian Aid's theme this year is *Refugees* and the following is just one of the many harrowing stories of families who have lost their homes, possessions and way of life.

#### **Nejebar's Story**

Nejebar fled Afghanistan with her family after the Taliban threatened to kill her husband, Noor, who was a teacher. It wasn't an idle threat - the Taliban first blinded, then murdered, another member of their family. 'The last days and weeks in Afghanistan were the hardest' says Noor. 'When I went to work, my heart was beating harder. I didn't know if my family were going to be alive when I got back.' When the family arrived at the refugee camp in Greece, they thought they would only stay for 10 days. But they have been there six months now and there is no end in sight. The only protection they have against the wind and rain is their tent. There is no school for their children. Five year old Sudai, their youngest child, is ill but Nejebar and Noor don't know what is wrong with him because they cannot communicate with the camp's doctor, who is

Greek. Nejebar is the rock at the centre of her family, holding them together throughout all this uncertainty. She has even welcomed Faraidoon and Farzad into the family, two brothers who don't know where their parents are or even if they are alive. 'We still have some hope for our children's future,' says Nejebar. 'We only want a peaceful life. We want our children to go to school. The most important thing is our children.'

Our church supports Christian Aid with a very generous donation and also through house-to-house collections, coffee mornings and a bread and cheese lunch so, once again, I am asking for your continued individual support in attending these various events. Here are the dates for your diaries:

- Coffee and Cake Morning - Saturday 13th May
- Bread and Cheese Lunch - Sunday 21st May

I hope to produce a quiz next month so keep your eyes open for the notice!

Many thanks

Jennifer Townsend

### **Prayer Stations for Holy Week**

You are invited to have a time of quiet reflection in the Sanctuary any time when the coffee Bar is open and interact with the prayer stations if you so wish.

---

Sarah Moore has found us a delightful Scottish blessing for Easter – enjoy:

If there is righteousness in the heart,  
there will be beauty in the character.  
If there is beauty in the character,  
there will be humanity in the home.  
If there is humanity in the home,  
there will be order in the nation.  
If there is order in the nation,  
there will be peace in the world.  
So let it be.

### **Be Creative!**

The annual Easter Egg decorating competition will take place on Easter Sunday. You are invited to decorate your egg and bring it to church (group entries are also welcome) on Easter morning by 10.25am. Judging will be by the number of coins placed by each entry and the proceeds will go to JMA.

## **Around the Circuit**

### **CHURCH EVENTS**

#### **Kingston**

Kingston Methodist Church will be holding its annual Plant and Produce Sale on Saturday 6 May, from 10.30am to 12.30pm. This year all proceeds will go to The Fircroft Trust, which for 50 years has supported adults with mental health issues in our local community.

#### **Surbiton Hill**

### **OTHER NEWS**

#### **MHA - Methodist Homes: Best Sunday for Ages - 11th June 2017**

Methodist Homes is a charity providing care, accommodation and support services for older people throughout Britain. Best Sunday for Ages, held at the start of Best Week for Ages, will generally be celebrated on the 11th June but can be held on an alternative date to suit individual churches. The theme of worship is 'Befriending Age' and we are invited to look at ways in which we can help and support older members of our church and society, as well as learn best from them how to plan our own ageing journey.

To enhance and enjoy celebrations, whilst supporting MHA and building bridges in the community, there are many suggested types of events such as quiz nights, afternoon teas, dinner parties and sports events. More ideas are welcome and the website is [BestForAges.com](http://BestForAges.com) and the telephone number is 01332 221 641.

MHA, founded 75 years ago, is one of the largest charities in the U.K., delivering a range of high quality services to 17,000 individuals and is grateful for all your support, especially your prayers.

Please contact Corinne Foster via Kingston

Methodist Church if you need more information or have any queries.

### **Prudential London & Surrey Cycling Event**

This year's event takes place on Sunday 30 July. As in previous years this will involve a number of road closures, and the impact on church services will once again need to be considered.

### **May Newsletters**

If your church has any news or a forthcoming event you would like to share with the Circuit, please forward details to Michael Axton at the Circuit Office so that it can be included in each Church's newsletter/magazine.

## Message from our Family Worker

Hi

At the end of this month we will be working on the mosaic for the wall outside on the High Street. It is being made as a gift for the people of New Malden from the people of the church as a celebration of being here in New Malden as a place of worship for 150 years.

Various groups have already taken part in the making of this item which is based on the curtain we have in the church and the stained glass window. It involves placing and sticking cut pieces of glass closely together to form the design. It is going to look beautiful. All the church are invited to place a few pieces during the service that day, including you under the supervision of a grownup as we don't want any cut fingers.

Also during that service I would love it if you could help re-colour/mosaic the large sign we carry down the High Street in the Malden Fortnight parade. It is faded and needs reviving, so please come and help so when we (that's you I hope) join in the parade our sign will stand out proudly.

Both of these items will be an example of what can be achieved by team work and by the end of the morning we will look upon our creations and like God looking upon the world for the first time, know that "it is good."

God bless

*Julia*
