Woolly Hats for Kingston Hospital A&E Department

Last Sunday I delivered another bag of hats to my contact for the Matron of the A&E Department at Kingston Hospital.

Dr Kate was thrilled with them, and asked if we would go on knitting them as the elderly patients arriving at A&E were never ending .and where appropriate they were giving two hats to those patients when they left to go home.

Hopefully by the time you read this I should have collected a supply of wool from Ruth McLeod, the wool she had for the teddy bears. Knitting is too painful for her now.

I will put it in the side office, off to the right hand side of the Sanctuary.
Love and thank you Stella

NHS Care Packages for Kingston Hospital

After several weeks of donations being collected at the various churches, an impressive array and quantity of luxury goods was delivered to Kingston Hospital this week for the NHS staff who have worked so tirelessly throughout the pandemic. Many thanks to all those who contributed so generously here at NMMC, keeping the office ladies on our toes as the basket kept filling up! Biscuits, chocolates, cosmetics, skincare items, bath bombs and scented candles were among the goodies and over £150 in cash donations was spent on a range of gluten free foods. It was a challenge to squeeze everything into the car that picked it all up but my skill at computer games (Tetris of course) came in very handy as we filled the boot, the back seat and the floor.

Stamps

There is now a box in Wesley's for the collection of used stamps. Please leave the stamp stuck to the envelope and cut around it leaving at least a 1cm margin around all sides.

The box is to the left of the pigeonholes and there will be a fuller article in the March edition of Spotlight. The stamps will be sent off to the RNIB.
