Dear Friends,

Amongst the many things we have re-assessed during the lockdowns has been the way we print the circuit preaching plan! It's hardly the most significant change we will make but after consulting with the churches it was clear that there is no longer a need for a standard printing of our quarterly plan. Instead we will distribute this plan by email and ask each church to print the quantities it needs. Less paper, less time and less waste.

As Bob Dylan would say "the times they are a-changing". Although we are once more able to meet freely some of our groups and meetings are continuing on zoom. We are even beginning to hold blended meetings where there are people in the room and others joining by the internet. The pandemic may have forced us apart for a while – but in other ways we have learned how to be present to one another whilst not in the same room. One "blended" meeting at SHMC had members of the leadership team in the church, in Kent, Alton, Derbyshire and Germany because of family or work commitments. In the olden days those people would simply have had to give apologies, but now they can be present, and it is a testimony to their commitment that they chose to be so. Far from being a pandemonium of confusion this worked so well that SHMC will be adding a permanent web cam to the existing wall mounted screen in one of our meeting rooms. Who would have thought it!

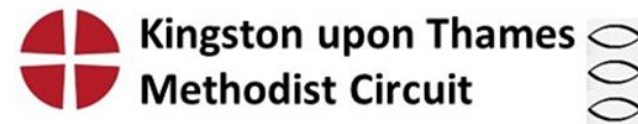

The coming year will be one of re-appraisal. We will ask each church to think about where they have come to and how they see the future. Yes, there will be losses and laments, but there will also be new ways of doing things and new opportunities.

To serve the present age
My calling to fulfil
Oh may it all my powers engage
To do my Master's will

God Bless

Rev Stan Brown
